

Become a sponsor of Seacliff Recreation Centre

We would love the opportunity to promote your business but would also greatly appreciate your support of our wonderful Recreation Centre.

Seacliff Recreation Centre provides programs that encourage active participation and our popularity is evident with new members enrolling during 2016 bringing our total membership to 1500. That's a lot of families visiting the Centre each week.

Our sports at the Centre consist of Calisthenics, Gymnastics, Judo, KinderGym and Ju-Jitsu. All groups have qualified coaches, with training programs in progress every week-day and week-night plus weekends for 47 weeks of the year. Neighbour Hood Watch and Adelaide All Star Cheerleading also hire the Centre.

Sports hold various events at the Centre which increases foot traffic. Gymnastics and Calisthenics hold Presentation days, Judo holds regular competitions and KinderGym holds an annual Dad/Grandad Day which attracts many visitors.

We have been successful this year with numerous awards. In November 2016 Life Member John Bollinger received a Certificate of Recognition for his continued support of the Centre since 1973, Seacliff Calisthenics were presented with a 2016 Premier's Certificate of Recognition for outstanding volunteer service and Sue Edward was presented with a City of Holdfast Bay Certificate of Appreciation for her 35 plus years of volunteering at Seacliff Calisthenics.

In December 2015, during parliament David Speirs MP Member for Bright made a speech mentioning the Seacliff Recreation Centre where he '...reflected on the superb ongoing commitment and work of the volunteers, particularly those who were recognised at the AGM and also the Board of Management, without whose expertise and hard work the Centre would not be able to operate'. A copy of this speech can be found on our website or on David Speirs MP website.

In November 2015 we received StarClub Recognition status. The StarClub development program has been designed for use by sport and active recreation clubs. It is a valuable program and the Recognition status allows clubs to go the 'extra yard' and become better recognised by the government and other organisations that value the role well run clubs can play in the community. We are one of only thirty clubs to have become a recognised StarClub and are very proud of this achievement.

If you would like more information about how to become a sponsor, contact the Centre's Secretary secretary@seacliffrec.org.au or Centre President president@seacliffrec.org.au

How is your sponsorship contributions used?

Each year a major project plan is determined and all sponsorship money will be put towards that project.

For example in 2016 a major project plan was to install heating in 2 halls and to investigate installing solar panels.

Sponsorship Level For 1 year	Gold \$750 + GST	Silver \$500 + GST	Bronze \$250 + GST
