

TO THE NEIGHBOURS OF THE SEACLIFF RECREATION CENTRE

News from the Centre – January 2022

Seacliff Recreation Centre is a vibrant facility offering various programs being Calisthenics, Girls Gym, Boys Gym, Aerobic, Judo, KinderGym and Ju-Jitsu. The Centre is used throughout the year and only closes for a couple of weeks over the Christmas holidays. Around 1500 members attend their sport at the Centre on a regular basis every weekday and weeknight as well as weekends.

The programs offered at our Centre suit people wanting to keep fit and just have fun, but we also have groups competing successfully on a local and interstate level. Make sure you check out what we are offering at our Centre, you might find an activity you want to try right here in your neighbourhood. You can find all the information you need on our website and on Facebook.

Our coaches and leaders are up to date with their qualifications in their respective sports as well as in their First Aid and Asthma training. All coaches are required to have a Working with Children Clearance to ensure the safety of our young athletes. A COVID Marshal is present at all sessions as required by COVID safety measures.

2021 continues to test our resilience and change the way we live and work. Throughout the year our priority continues to be the safety of our staff, volunteers, members and their families – our whole Seacliff Recreation Centre Community – for their physical and mental wellbeing.

The Seacliff Recreation Centre has a COVID Safe Plan in place and anyone entering our facility is expected to scan in with the QR code. We also have hand sanitising stations all around the Centre to keep patrons as safe as possible.

You are probably well aware that parking can be an issue at times and we appreciate the help of the Seacliff Uniting Church by letting participants of the KinderGym program park in their car park to ease congestion. Thank you to our neighbours who avoid parking in our car park during the times when the Centre is in use so we can maximise our car park usage. Please be aware that parking is at your own risk and the Centre will not take any responsibility for damage occurred whilst parking on the premises.

Please be assured that we are not hiring the hall out for any parties or other events that might cause any disturbance to our neighbours.

You are welcome to call in anytime to view our facilities or discuss any matter of concern by contacting the Centre on 8296 4995, via email secretary@seacliffrec.org.au or visit our website at www.seacliffrec.org.au. You can always be kept up to date on the happenings in our Centre by following our posts on Facebook, Instagram, Twitter or Pinterest.

Stay Safe,

Beverley Manns
