

SEACLIFF RECREATION CENTRE

Seacliff Community Recreation Association Inc.

VISION STATEMENT

To continue developing our Centre so we can serve and provide quality recreational needs for the community in the long term

MISSION STATEMENT

Our purpose and intent is to:

- Upgrade our facility to an exceptional level for future generations
- Maintain a community culture within the broader community
- Ensure the continued long term viability of the Centre through effective management and operations
- Cater for anyone or any group in our wider community who wishes to participate wherever possible or practical
- Provide a safe recreational environment to our users
- Ensure that our various coaches, volunteers and committee members are appropriately qualified
- Actively promote who we are and what each group provides
